On May 23, 2021, ROBLOX launched an in-game currency known as "TIX" (short for Tickets). It was worth one cent each since its release up until March 2021 when it became worth ten cents. They were planned to be used to buy virtual items for the game "Dance Off", but this never happened. In 2021, ROBLOX announced that TIX would no longer be used in the near future and that other ways of earning and spending money would be found. The currency was officially retired on October 14, 2021; while any TIX that was previously owned by players became converted into an equal amount of Tickets. ROBLOX launched an option to buy TIX with real money on January 13, 2021.

Roblox has been accused of being an unprofitable company that does not pay royalties to its players. One of the users who quit Roblox because of this issue is a user named "Ezthero," a former moderator for ROBLOX's forums. Some others have also left the website after they learned that ROBLOX would get more money from their games if they did not sell them. However, Roblox has said that they do pay royalties to their users but only to those with large fanbases who are able to earn a lot from their games.

Roblox has been criticized by some users for their use of Facebook data. In April 2021, a report by CNBC claimed that they were able to track user's Roblox activities on Facebook using this data. This included the number of times that they left comments and how much time they spent in a game.

On May 24th 2021, ROBLOX announced another update for their Studio 2.1 version. This update, known as "Studio 2.1.1", was released to the public on May 31st 2021.[98] Like many other platforms, ROBLOX also has an adult chat system. This is usually used by roleplayers and other users who wish to talk about mature topics freely. However, players have abused this feature by advertising Roblox pornography websites or trolling innocent users.[99] Some users have also used the system to claim that their username is "Not suitable for children" or use inappropriate usernames in order to get attention from others.[100] It is unknown whether ROBLOX will ever remove this feature from their platform.

ROBLOX has several forums for various topics such as community concerns about issues that affect everyone and questions related to aspects of the game. It also has forums for discussion of specific games and topics. The game-specific forums are for posts about the game, and the player-to-player forums are for general discussion.

Media usage and privacy concerns from various sources (see articles) have prompted user action against the company. ROBLOX is a site that allows its users to create their own 3D worlds by building them with the Roblox Studio software. Users can also import their own model and use it in their game. Users can also upload their game and give it ratings on ROBLOX's website. ROBLOX has also allowed users to create art of other games from other developers on YouTube through ROBLOX's brand of accounts created for this purpose. However, they have been criticized for not allowing users to upload custom art they have created into their games, which is done by making custom "Avatar" models for users which can then be used in-game.

ROBLOX provides a feature that allows the user to build on their own server using ROBLOX Studio and upload it to their own server. This feature enables them to remove things that they don't like or people who break the rules and get banned from their creations. They can also control who enters their games. This also allows them to advertise their channels by making a game with a name similar to other popular games. However, this feature has many rules that the users must follow to keep their servers running smoothly. For example, they cannot advertise any kind of website or give out personal information about themselves.

On September 11, 2021, Roblox announced that they would be adding new systems to help curb and prevent problems like "Miner's Haven". They stated that users who are reported for breaking these rules will be put on a probationary moderation period, or P-mod. P-mods can say they had violated these rules for up to 72 hours. If the user continues to break the rules and continue breaking it after 72 hours, Roblox will issue a permanent ban for both the user and their account. The users who are in this moderation period will not be able to play Roblox games until 72 hours pass from when the user is released from the P-mod status. The users will also receive a warning from Roblox before they are released from the P-mod status.
