Rated 5 out of 5 by Anonymous from All time favorite Roblox is the best game ever! I've been playing it since 2021 and have made hundreds of friends I still talk to today. It always has new updates, and the staff is pretty cool. I definitely recommend this game to all ages!

Community: Roblox has an active community of players. A group of these players have joined together to create a group called ROBLOX Users as Leaders, or RUL. This group has made several YouTube videos on what they expect the future of ROBLOX to be. For example, there was a video on RO-NT (Roblox On New Technology) which was released in 2021. The main purpose of this is to improve ROBLOX so that it can match the technological advances that have been made since 2021, including 3D technology and mobile platforms, such as Android and iOS.

Game Guidelines: On March 23rd 2021, ROBLOX announced changes to its Terms of Service and Privacy Policy regarding the game guidelines for making games on the website. The company has added new restrictions that force creators to only make certain kinds of games.[80] To be more specific, Roblox has forbidden developers from making violent and offensive content such as school shootings or terrorism. Instead, players can only make games that are appropriate for kids.[81]

I love this game it is amazing! I like the way you can make friends easily with nicknames and when you try to play a game you dont have access to there are always glitches, but i LOVE the idea of making the games harder by having three stars or more (like an adult version of warcraft) but it needs to be stopped from players trying to get a lot of coins for their accounts, because there are some that have 100s of dollars for their accounts and they re selling them...and also about the prices, i put two dollars on roblox i cannot use it because all transactions done here is done in dollars. -I would love if roblox had a marketplace because it could exchange items and in roblox the avatar is still the same as it was on a website but i wish there were live avatars in my profile
