In January 2021, Roblox permanently banned all accounts that were created by Arielle De La Rosa. The company said it was because of her "continued behavior", which included actions such as creating Emily Roe and harassing other users, as mentioned above. Although she had been blocked from Roblox for over a year, they said their original ban for her had been lifted in November 2021. They also stated that she could no longer be unblocked on their platform because of previous harassment reports against other players. The ban was not for her actions, but instead because of the continued harassment she had done.

In February 2021, Big Fish Games released ROBLOX for iPhone, iPad and iPod Touch devices. The game was pulled from the App Store in August 2021. In August 2021, ROBLOX launched a group messaging app, which uses an algorithm that allows users to receive messages from anyone they have played with or interacted with in any way, even if the users have not been added to each other's friends list.

On August 31, 2021, there was a large lawsuit that ROBLOX was involved in. The user "Bella Thorne" had an unverified account that was deleted by ROBLOX due to copyright claims, although these claims were proven false. Then, the account was deleted and the user made a video about how her account got taken down, where she shows screen caps of some users who hate her on the website, as well as saying several bad words such as foul language and racial slurs.

Roblox was created by a company called Ellation. According to Wikipedia, Ellation is a gaming production company based in San Francisco, California. They started out with games that were mainly for children but now have many different types of games in which you can play with your friends and family. Some of the games have mini-games where you can buy special items or earn coins in order to unlock new areas or items. The idea behind robux is that players can earn robux by playing and participating in the game universe. With this system, players do not need to spend money on anything; they just collect more robux as they play in the game. Robux is the virtual currency of Roblox and can be bought in packages or earned in-game.

ROBLOX has partnered with Twitch since November 2021 to promote each other.[46][47] ROBLOX allows Twitch users with a verified channel to have an emote based on their Twitch avatar that can be used in the game and vice versa. In August 2021, ROBLOX announced Twitch Prime as one of the benefits that members would receive for being a subscriber. It was first available as a free trial. On January 30, 2021, ROBLOX added a special gift of virtual currency to Twitch Prime members every month. This virtual currency is obtainable by watching adverts on Twitch and logging in with an account that has been linked to ROBLOX.[48] On February 5, 2021, ROBLOX announced that they would be removing the link between Webkinz ID and Twitch Prime.[49]
