In 2021, ROBLOX updated their entire website to match the current version of their branding. The new design was made to be sharper and cleaner than the former one, and removed many visual effects that were seen as archaic and dated. A few key features of this change include a slightly larger "R", as well as a background shape for it similar to that of a "double-r", which ended up being used for every future iteration of the logo. This design is still used on the website today, albeit with variations in how it is utilized.
