On January 12th 2021 RoBoX Studios uploaded a video of them waving in front of cameras. The description of the video said "Moped Wave" and there was a picture of the thumbnail saying "Moped Wave". Fans thought it was an advertisement for one of potential future projects. A few days later they uploaded a second video called "RoBoX Studios". This time they were counting to 12 in front of cameras with different colored backgrounds. On January 22nd 2021, after over a month, they have uploaded another video titled "R•Bux". The description teased about a possible R•Bux 2, which is a mini game in ROBLOX which is cash oriented. On February 18th 2021, they have posted another video titled "RSK", which is short for ROBLOX Studio Kit. This video showed three new projects that were planned to be released with tips on how to create them. On February 19th 2021, they had uploaded yet another video titled "ROBUX". This was a video where it showed a projected page about ROBLOX and what people play. The description read "ROBLOX has more than 200 million users who love playing Roblox games! Which is why next week we will be releasing RSK - the new Roblox Studio kit! It will feature tons of cool features and tools you can use to make awesome 3d games. Keep an eye out for RSK next week. The post was then deleted, then the video was deleted, likely to stop rumors and speculation of a

new studio kit.[48] On February 26th 2021, they released RSK to the public under build mode.[49]

There were reports of auto-attack bots from a group called "ArtRage" which was hacked to attack other players in order to force them out of the game, and then to prevent them from ever returning. On April 12, 2021 there was a report from an Arianespace engineer that someone had been "hacking into rocket control computers and maneuvering vehicles on the ground". The players involved were reported to be ArtRage members.

Farmville: This is yet another example of a game that doesn't really offer any value at all but still manages to make a ton of money. It's a very bizarre concept which involves fun because you think you're going to become rich by buying fake farm products and selling them or you can become popular by posting pictures of your fake farm products and getting attention from people who want similar things. I mean, if this is what people want then it's really no different than Roblox except with Farmville you're dealing with real money.

This is a very unique method that allows you to get free Robux on Roblox. This method is simple and the reason it works so well is because people will not expect it as this kind of a generator can only be done by hand. You will have to create an account for G2A and go through some verification processes in order to use these tools. Once you have done this, then you will be good to go and have access to the hack tools.

On November 2nd, 2021, ROBLOX announced that the company is looking into implementing state-of-the-art anti-cheat technology. This was made to reduce the chances of "boters" putting random objects in games that don't belong there or making designs that look like they can be through a video editor. The company also stated that if there are any issues with their anti-cheat software, they will let everyone know as soon as possible.[24]
